

## **Welcome to Bunny's Trunk Show!**

At Bunny's, we have a love of vintage jewelry and are excited to share it with you. We offer handpicked, one of a kind items that we find at flea markets, vintage shops and estate sales. The pieces that we look for are often nostalgic. They have a hint of the past but as styles come and go, remain timeless. We pick these unique items with the hope that the piece will become a classic addition to your jewelry collection. Our shop is updated with new jewelry on a regular basis, so please check back often.

If you see items in our online shop that you'd like to see at the vintage sale, please email us at [bunny@bunnystrunkshow.com](mailto:bunny@bunnystrunkshow.com).

If you'd like to stay in touch with us to find out where we'll be selling jewelry or to learn about our special offers, please follow us on Facebook.

## **Condition of Jewelry**

As noted in the jewelry descriptions . . .

**Mint:** New.

**Excellent:** Minor use, but no repairs and no major wear.

**Good:** Used with moderate wear. May have repairs done properly (including stone replacement with good matches).

**Fair:** Heavy wear but still looks good. It's possible that there may be some stone discoloration and may need stone replacements/minor repairs.

**Poor:** Unlimited possibilities. Good for parts or stones.

Please keep in mind that vintage/antique jewelry is pre-owned and rarely out of the box perfect. One should expect some age appropriate wear. Of course we will make note of anything we see that might be an issue, such as excessive wear, missing or turned stones, or repairs that need to be made. Please feel free to email us at [bunny@bunnystrunkshow.com](mailto:bunny@bunnystrunkshow.com) if you have inquiries about an item.
