

Those little feet are starting to take off, boldly moving forward, climbing and stomping. Stride Rites Toddler Tech with Natural Cushioning System™ line meets early developmental needs with the benefits of Natural Motion System™ plus new features specifically designed for active toddlers ages 2 to 4.

- ① **Natural cushioning system**
Absorbs impact with extra cushioning and a unique landing pad
- ② **Supportive outsole**
Provides additional lateral support for toddler twist, turns and jumps
- ③ **Traction grids**
Allow for side-to-side grip up front and better "brakes" at the back

At Alfano's Stride Rite our Stride Rite Certified Fit Specialist's™ are specially trained in fitting your toddler with a large selection of sizes and styles. Stop by and you'll find a comfortable, child-friendly environment that will get your toddler moving in the right direction.
